Great news! Our school subscribes to History Study Center, the easy-to-use, Internet-based teaching and learning solution for students and teachers.

History Study Center offers valuable historical reference material that covers 14 centuries of history—from ancient to modern, old world to new world.

Explore the rise and fall of the Roman Empire, the growth of Islam, the ideas of Enlightenment and Revolution, the effects of colonialism, the explosion of American pop culture, and much more. It's a unique reference tool that delivers a comprehensive collection of primary and secondary source material relevant to the study of history and social studies.

Tap into additional information about this solution at [proquestk12.com](http://proquestk12.com).

## How will the new service help?

- Access six integrated sources containing more than 40,000 documents that showcase historical events.
- Resources include newspaper and journal articles, rare books, video clips, diaries and letters, maps, statistics, reference books, websites, and more.
- Each document is hand-selected by an editorial team of history scholars—ensuring students and teachers have quick and easy access to the most relevant resources available.
- Search or browse more than 40,000 articles from a variety of sources.
- You can print, save, or email for your own or student use.
- Learners can browse by Study Units, which organize primary and secondary sources by more than 515 subjects. They can also search all six content resources at once by entering a keyword or phrase.
